OBJECTIVE

To be the head CEO of Donald Duck industries even though he already owns it but he wants to test his companies abilities in finding a good CEO like himself because he is unsure about his workforce.

EDUCATION

Donald Duck High, Keswick ON

High School Diploma Achieved in September 2001

High School Awards and Honors

Honor Roll: Spring 2000, Fall 2001, Winter 1999

Almost perfect attendance 1990-1991

ORK EXPERIENCE

Georgina Advocate, Keswick, ON. 1995 to 2000

- Receive and organize papers then after a while get bored and hire his best friend to do to do it who then hires his brother who then hires his dog that ransoms it to his cat for more money for dog treats.
- Distribute the papers and greet people meanwhile advertising his own company even though its kind of illegal then paying the polie in the area to keep it a secret meanwhile making a lot more than he is paying the police.
- Deliver 250 papers throughout the community then capitalise and spread to the rest of the region using most of Donald Duck Industries resources and a lot of the funds that were going to go to his becoming president funds.

Keswick Library, Keswick, ON. 2000 to present

- Receive and distribute books throughout the library.
- Greet people who visit and check out or sign in their items meanwhile again advertising his own company and their newest latest products for consumers like themselves who would want to buy it.
- Keep the library clean and help join in the activities or special events held by the library.
